A REMARKABLE STATEMENT

Mrs. Sheldon Spent \$1900 for Treatment Without Benefit. Finally Made Well by Lydia E. Pinkham's Vegetable Compound.

Englewood, Ill. — "While going through the Change of Life I suffered with headaches, nervousness, flashes of heat, and I suffered so much I did not know what I was doing most of the time. I spent \$1900 on doctors and not one did me any good. One day a lady called at my house and said she had been as sick as I was at one time, and Lydia E. Pinkham's Vegetable Compound made her well, so I took it and now I am just as well as I ever was. I cannot understand why women don't see how much pain and suffering they would escape by taking your medicine. I cannot praise it enough for it saved my life and kept me from the Insane Hospital." — Mrs. E. SHELTON, 5667 S. Halsted St., Englewood, Ill.

Physicians undoubtedly did their best, battled with this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

If any complication exists it pays to write the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice.

Evidence Indicates Torpedo Sunk Sussex

By Robert J. Bender. Washington, April 3.—President Wilson is rapidly accumulating evidence tending to indict Germany for recent submarine attacks on unarmed steamers in the English channel. Word has been received that new affidavits have been obtained.

The new testimonial strengthened the administration's position that a German submarine torpedoed the steamer Sussex in the channel, jeopardizing Americans, and that submarines were responsible for other recent disasters in which citizens of this country were endangered.

The situation was again described as "most serious." Tomorrow cabinet will discuss the report already at hand. By that time it will probably have definite word of Berlin's attitude on the new attacks, in view of Ambassador Gerard's cable saying he anticipated an early reply to his inquiries.

The suggestion that a submarine might have mistaken the Sussex for a British transport were Berlin's admission that there was even a bare possibility of a torpedo having caused the disastrous explosion.

COURT HOUSE NEWS

The April term of the circuit court in department No. 1 opened this morning with Judge Kelly on the bench. The first case on the docket was that of J. W. Levitt & Co. against B. M. Dimmick. This is an action brought by the plaintiffs, who represent the distributing department of the Overland Auto company, to recover \$1,953.49 from Mr. Dimmick, for auto supplies alleged to have been sold and delivered to the defendant. Mr. Dimmick sets forth in his counter claim that he was the agent of the Overland company in Woodburn and that they represented that they would give him additional territory if he would move to Salem to conduct an Overland agency in this city. He claims he moved to Salem but after he went into business here they cut down his territory and that they caused a loss of business to him and that he was damaged in the sum of \$12,814.50 and seeks damages in this sum. W. C. Winslow is attorney for the defendant and the firm of Chamberlain, Thomas & Krenner, of Portland, represents the plaintiffs.

The plaintiff states in his complaint that on April 11, 1915, he was sitting along the wall near the entrance of his garage when the doctor attempted to drive through the 14-foot driveway leading into the garage. Says the doctor's car hit the post alongside of the driveway and pinned the plaintiff, to the wall, causing sundry damages to the person of the plaintiff. Mr. Anderson says his foot was mashed and his left hip and shoulder were bruised and his back was sprained. He claims the injury caused him to lose eight months' work as that his services are worth \$100 per month, his doctor bill is put at \$2000, he has hired \$300 and drugs and X-ray pictures at \$175. Other damages and physical sufferings he estimates to be worth \$15,000 and asks for a total of \$16,000 in all. A. A. Hall is attorney for the plaintiff.
